40) What did you especially like about this course?

Response Text	Frequency	Response Percent
All of the discussions and group activity.	1	7.69%
I enjoyed how discussion based this course was.	1	7.69%
I especially liked the group discussions	1	7.69%
I liked the teacher a lot	1	7.69%
I loved that we were able to explore the different major global issues, and getting the chance to understand other cultures.	1	7.69%
I was able to be myself by the welcoming aroma in the classroom.	1	7.69%
The debates we had and the in-depth discussions	1	7.69%
The professor was very professional and understanding yet managed to blend in with her students to make sure everyone was participating, learning, and enjoying the class.	1	7.69%
The push to challenge your beliefs and create high thinking.	1	7.69%
This course allowed me to reach outside of my area of comfort. Expanding my mindset gave me a better view of the world around me. I learned that I am very interested in socio-cultural Anthropology. I also have much more awareness of topics which I found myself being quite ignorant towards.	1	7.69%
What I liked about this class was the overall topic and how it is relevant on our everyday lives. Also, I liked how us, the students, were involved during class time.	1	7.69%
No Response	2	15.38%

41) What did you especially like about the way this instructor taught the course?

Response Text	Frequency	Response Percent
I liked how she was engaging every student and not allowing certain others to dominate the conversation	1	7.69%
I liked how we had discussions to talk about the material	1	7.69%
I loved how passionate she was about all the materials talked about in class.	1	7.69%
She always questioned us and provided new ways of thinking.	1	7.69%
She made an effort to give everyone a chance to speak their mind. In class discussions, videos, and fun activities.	1	7.69%
She made every feel included with themselves and their opinions	1	7.69%
She often tied in her own experience to what we were talking about.	1	7.69%
She taught while being interactive with us, never leaving us out of the conversation. She had us learn how to think as an anthropologist, which really helped when sharing ideas.	1	7.69%
The instructor conducted an engaged vibe which centered in students running discussions. This sort of teaching created a positive environment, where everyone felt welcome to share perspectives without feeling judgment.	1	7.69%
This instructor took in mind what was best for their students. They always listened to what the students preferred and always came to an agreement.	1	7.69%

No Response	2	15.38%

42) What suggestions would you make to improve this course?

Response Text	Frequency	Response Percent
I suggestion would be to move office hours to a different day other than Monday since Monday is the day where we just get started and there is not many questions or doubts by then.	1	7.69%
I would say to give us the questions she asked in class before the next day of class so we can prepare for them	1	7.69%
I would say to not have us do the readings in the manner we did them and change when quizzes and papers are due. As of right now, they are at illegitimate times and don't account for everyone's hours.	1	7.69%
I would suggest giving a better explanation as to what exactly is expected for the final paper.	1	7.69%
I would suggest to be a bit more specific when assigning and introducing assignments.	1	7.69%
More elaborate feedback if possible.	1	7.69%
n/a	2	15.38%
none	1	7.69%
Not such long readings	1	7.69%
The course could seem challenging at times, due to the extensive reading material. Personally, this was one of my biggest setbacks, I felt as though the passages assigned as homework were incredibly long and some difficult to read over and analyze.	1	7.69%
No Response	2	15.38%

43) What suggestions would you make to improve the way this instructor taught the course?

Response Text	Frequency	Response Percent
I believe my instructor is very efficient on the way she teaches the class.	1	7.69%
I would have it so that our discussions were not so focused on who did the readings but who participated and commented. It would be nice to not measure an individuals academic talent based on whether or not they read a text or article but by the words which they contribute to the discussion.	1	7.69%

43) What suggestions would you make to improve the way this instructor taught the course?

Response Text	Frequency	Response Percent
I would say the teacher should involve herself more	1	7.69%
I would suggest teaching at a slower rate.	1	7.69%
n/a	2	15.38%
none	1	7.69%
Overall I think the course was taught very well. I rarely felt bored during class due to the plenty of discussion time. Lecture time was also engaging, yet there were times when some educational videos were shown and were not as exciting. Again, overall the teaching was very effective.	1	7.69%
Providig questions in advance to daily readings.	1	7.69%

43) What suggestions would you make to improve the way this instructor taught the course (continued).

Response Text	Frequency	Response Percent
Spreading out the readings we had every week and split them up in to sections for us to talk about	1	7.69%
To improve the way the instructor taught, it would benefit the class to elaborate and be more available with assignments.	1	7.69%
No Response	2	15.38%

44) Please write any additional comments you may have below.

Response Text	Frequency	Response Percent
Do away with the systemic reading cycles and un-timely hours (for the due dates). It only seeks to hinder the class and performance of the students.	1	7.69%
I don???t have additional comments.	1	7.69%
I just want to add that Lumi is an exceptional instructor. She makes sure students are comfortable in class and that students are doing good on both inside class and outside of class. The content is very engaging and helps us to be more open-minded about the world around us.	1	7.69%
I know it was a short while, but I appreciate your efforts in helping us expand our knowledge about society.	1	7.69%
I really loved this course!!	1	7.69%
Lumi is an incredible instructor. She inspired me to take a path on helping others and making a difference.	1	7.69%
